

# Hand Held UV Spot Light – T series

## Features:

High Power Intensity Output  
Life Time Over 20,000 hr  
No Infrared Heating  
Instant On/Off

Portable - Hand Held  
AAA Battery

## Applications:

Precision Fabrication Lines  
Fast Curing of the Matching UV Epoxy

## Specifications:

Parameter	Unit	
Light Source		UV LED
Nominal Light Power	W	2
Working Distance	mm	10
Spot Size	mm	4x4
Intensity at Center <sup>1</sup>	mW/cm <sup>2</sup>	1,200
Average Intensity <sup>1</sup>	mW/cm <sup>2</sup>	700
Dimension	mm	Φ 29 × 100

1. Measured with new battery
